

2006/2007 ATTIVA

Characteristics -> Sorry guys – for women only!

This award-winning concept was not only designed by women but it was also developed, tried and tested and approved by women. Cutting-edge designs and effective technologies in a complete set of equipment based on female intuition.

Benefits -> ATTIVA is more than just a ski – ATTIVA is complete collection of skiing equipment for women riders. From skis to bindings, from boots, helmets and goggles to performance wear – all of this has been developed to satisfy the demands of women skiers of today. The ATTIVA skiing equipment offers maximum safety and performance.

Winner of the ISPO European Award 2005!
