

# 2006/2007 RACETIGER

**Characteristics** -> Racetiger – a legend that is alive and kicking! With features tried and tested by professional ski racers like Tanja Poutiainen, Manfred Pranger and Nicole Hosp we know they work so we adjusted them to everyday skiing requirements. The very best is just not good enough for our customers.

**Benefits** -> Precision, stability and the best edge grip ever at high speed – you get all of that in a Giant Slalom, a Slalom or a more All Mountain orientated ski!
